KYNDALL DUTTON

Operations & Business Development

Kyndall is the oldest of the three Dutton girls, and the sixth generation from Sonoma County. Kyndall began her career in the wine industry in 2015. She always had a dream to work with horses and was encouraged by her parents and sisters to pursue her passion, a shared enthusiasm with her late grandfather, Warren Dutton. Kyndall studied and worked as a Registered Equine Veterinary Technician for a local mobile practice for four years, along with volunteering for Sonoma CART. Kyndall's knowledge about horses grew more than she ever expected.

As Kyndall enjoyed the years working with equines, she rejoined Dutton Estate Winery in 2022. Looking at the big picture in life, Kyndall realized that there is exponential opportunity for Dutton Estate Winery which she yearned to contribute. With the goal of growing the winery's future for the sixth and seventh generation, Kyndall is mentored by her mother, Tracy Dutton, the President of Dutton Estate Winery and assisting her with daily winery operations and accounting.

"I am so lucky to wake up every morning and see the vineyard and my horse barn from of my bedroom window. Hard work and dedication go into the beautiful land I call home, and I want to do my part to sustain it and keep it going."

Kyndall Dutton • Executive Assistant

We are the sixth generation of the Duttons to farm in Sonoma County. When we founded Dutton Estate Winery in 1995, we continued a multi-generational family story and commitment to our distinctive corner of the Russian River Valley.
