TRACY DUTTON
Founder & President

Tracy Dutton was born and raised in Sebastopol, California where her grandparents, Tony and Carmen Kozlowski established Kozlowski Farms in 1949. At a young age, Tracy began working with her family, picking fresh berries and apples, making jam, and baking with her grandmother and quickly learned the many tasks of the family's booming business Kozlowski Farms. After undergraduate studies at California State University Chico and Sonoma State, returned to Kozlowski Farms with a full-time position in accounting and enjoyed opportunities to travel with Carol Kozlowski, her mom, Vice President of Sales for the family business. During this time, she met and married the boy from the ranch next door, Joe Dutton

Joe and Tracy started Dutton Estate Winery in 1995 purchasing a 20-acre Chardonnay vineyard and tasting room. Today, Tracy oversees and manages the daily operations of Dutton Estate Winery, producing 5,000 cases for Dutton Estate, as well as several high end Sonoma and Napa custom crush clients

“ Creating a business for my children to grow into has been my dream since I was a little girl. I am extremely fortunate to have had the opportunity to develop a business where I could raise my three daughters, Kyndall, Kylie, and Karmen. I found it rewarding to balance the challenges of my daily life of making a home for my family, being “a farmer’s wife,” and an involved mother in my daughters’ lives and activities, all the while, building a successful business. For me, success is not defined by my business, rather, the achievement of my successful dream. Together, Joe and I created a family and a business that our grown children are working with us in today. Our family is a team of forward-thinking farmers that binds succession for the future to sustain Sonoma County agriculture through our vineyards and our wines. I feel very blessed.

Tracy Dutton • Founder and Co-Owner

We are the sixth generation of the Duttons to farm in Sonoma County. When we founded Dutton Estate Winery in 1995, we continued a multi-generational family story and commitment to our distinctive corner of the Russian River Valley.
