

2006 Sauvignon Blanc
Cohen Vineyard
Russian River Valley

The Wine

This is our fifth sauvignon blanc from the Cohen Vineyard. Fermented in stainless steel to preserve the brightness of the fruit, this wine is a great accompaniment to shellfish, seafood and goat cheeses. Light straw in color, the nose is reminiscent of green apples. This medium-bodied wine encompasses tart characteristics Gravenstein apples, lime zest and kiwi.

The Vineyards

Dutton Ranch farms over eighty unique, separate vineyards located in the coolest areas of the Russian River Valley, primarily in the sub-appellation known as the Green Valley. Cohen Vineyard is one of the oldest vineyards cared for by Dutton Ranch and was planted in the early 1970's. It is located at the top of a ridge just north of the town of Occidental on the far western edge of the Green Valley-Russian River appellation.

The Winemaking

The fruit for our Sauvignon Blanc is gently whole cluster pressed. The juice is cold settled, transferred into stainless steel tanks and slowly fermented with cultured yeasts at fifty degrees. This cool temperature fermentation allows us to ferment one brix per day to retain the fresh fruity character of the wine. The wine is fined, filtered and cold stabilized prior to bottling.

The passion at Dutton Estate Winery is to produce unparalleled vineyard designated pinot noir, chardonnay, sauvignon blanc and syrah. Methodically working together, Tracy and Joe Dutton along with winemaker Mat Gustafson are committed to expressing the terroir from the selected estate family vineyards at Dutton Ranch. With a devoted grape grower and winemaker, the results are unsurpassed and individually spoken in the wines.
