20% concrete egg

Cases Produced: 719 cases
(12/750ml)

Winemaker: Terry Adams

Appellation: Russian River
Valley

Suggested Retail: \$42

The Wine

Aromas of citrus fruit, honey and clove are at the forefront on this cooler climate chardonnay. Lush fruity flavors of sliced apple, white peach with hints of cream and honey burst through the palate with the first sip. The texture is smooth and seamless from start to finish, ending with an amazing balance of crisp acidity inherent to Russian River chardonnay.

The Winemaking

The chardonnay grapes for Kyndall's Reserve is whole cluster pressed. The juice is settled for 24 hours and raked into French Oak barrels, and a small portion to concrete egg. Each lot of chardonnay is harvested and pressed in its own time, and each lot is separated until blending in early summer. During the fermentation processes, the wine is aged on its lees and stirred every three weeks. Kyndall's Reserve Chardonnay is a part of our *Sister's Collection* of wines and is a family designation wine, named for the eldest daughter, Kyndall Dutton.

The Vineyard

Dutton Ranch farms over eighty unique, separate vineyards located in the coolest areas of the Russian River Valley, primarily in the sub-appellation known as the Green Valley. We have selected our favorite vineyards from our family's Dutton Ranch to craft wines reflecting our vision of a signature Russian River Valley Chardonnay. Kyndall's Reserve Chardonnay, being sourced from three different vineyards, is a blend crafted to showcase a true Russian River Valley Chardonnay.

Dutton Estate Winery creates wines of place. Our family delivers five generations of commitment and devotion to the land. Beginning with the roots of the vines to distinguished flavors of sustainable terroir in the glass, our results are unsurpassed and individually spoken in our wines.
