

LA FAMILIA

CORPORATE & LARGE GROUP PROGRAM AT DUTTON ESTATE WINERY Winter/Spring 2020

Authentic Wine Country

Dutton Estate Winery is the perfect place for your group's genuine wine country experience.

We are a family-owned, working winery in the Russian River Valley. Our Spanish-style tasting room and garden is nestled in a 28-year-old Chardonnay vineyard and warmly welcomes our guests. We are six generations of forward-thinking Sonoma County farmers, and every guest experiences our family's connection with the land through our past, present and future. Dutton Estate Winery is a Sustainable California Winery and a leader in sustainability.

As we celebrate our 25th anniversary year, we invite your group to share our small lot wines on our charming property, and experience Russian River Valley family winemaking.
