## 2022 BLUSHING SISTERS ROSÉ OF PINOT NOIR

### RUSSIAN RIVER VALLEY, SONOMA COUNTY

#### THE VINEYARD

Dutton Ranch farms more than 80 separate vineyards in the Russian River Valley. Our Rosé of Pinot Noir is affectionately called Blushing Sisters after Tracy and Joe's three daughters – Kyndall, Kylie, and Karmen Isabella. At Dutton Estate, our six generations of farmers have always felt connected to the land and we are proud to lead this initiative with other grape growers. The vineyards are certified Sonoma County Sustainably-Farmed and Fish-Friendly. They are dry-farmed and historically produces grapes of consistent character.

#### THE WINEMAKING

Our limited production Blushing Sister's Rosé of Pinot Noir is harvested from Dutton Ranch's Manzana, Green Valley, Thomas Road, and Campbell's vineyard in the cool climate Russian River Valley. This wine was made using the saignée method. Fresh, expressive juice is removed from each open-top tank of Pinot Noir after four hours. This time on the skins allows us to produce a richer rosé with more concentrated color, tannin and lovely acid. This wine was fermented and aged in a mix of neutral French oak and stainless steel capturing the beautiful fruit qualities and delicate acid. . Once fermentation was complete, the wine was racked to neutral oak barrels to age until bottling.

#### TASTING NOTES

This wine is a rose gold color that presents aromas of red apple, rosewater, and fresh strawberries. The aromas in the glass follow on the palate. Juicy strawberry and melon are balanced by hints of orchard fruit and floral notes. This refreshing rosé will enhance warmer weather dishes like watermelon feta salad or Ahi tuna.

*Our family is six generations of forward-thinking West Sonoma County farmers. Each bottle of Dutton Estate wine is our way of sharing our love for this revelatory landscape, our commitment to sustainable farming, and our deep familial bonds.*
